

LEONARDO BOUTIQUE HOTEL  
HUNTINGTOWER  
PERTH

*Morag and Graham Haly*

Huntingtower Hotel prides itself on the authentic, country home experience it provides to guests and its outstanding wedding and events service.

Morag said: "I really can't speak highly enough of the staff at Huntingtower who really went the extra mile and were always on hand to make the whole experience run smoothly from the very beginning.

"We didn't really consider any other venue, as soon as we drove up the driveway of the hotel we just knew it was the right one for us.

"From spending about 10 years of my life in America, there were quite a few guests coming from across the pond so I wanted them to experience something rather traditional, without being twee.

"Huntingtower definitely ticked that box, the hotel and grounds are stunning and there's a really classy feel to the place."

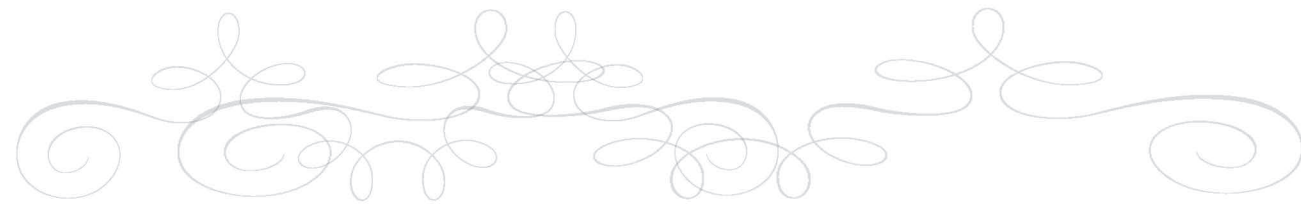

With a spacious function suite and plenty of outdoor areas, the venue can comfortably cater for up to 200 guests and has 32 bedrooms for accommodation.

Morag added: "We brought our own décor and small touches, but if we'd gone purely with what the hotel provided, everything would've still looked lovely."

"We had plenty of room to get ready in the morning too, as with myself, three bridesmaids, hair and make-up and photographer, it could have been rather crowded but we all managed to get ready without a fuss."

"Having both the indoor and outdoor space made the venue feel very light and airy and our guests could make the most of the bright Scottish sunshine."

"Every member of staff we dealt with in the run up to and on the day was so helpful, attentive and made the wedding absolutely seamless."
