THE TRAFFORD ROOM

A GEM OF A SPACE FOR YOU AND YOUR GUESTS

The Trafford Room is the jewel in the crown of The Midland's function rooms. Decorated with exquisite plasterwork, it's further distinguished by being the first place in which the tango was ever danced in the UK. Now it provides a stunning room for a truly stylish wedding – and a sizeable one too, as it easily seats up to 250 guests for your Ceremony. Hire of this space starts from £1,500.

THE ALEXANDRA SUITE

A SUITE TO BRIGHTEN YOUR SPECIAL DAY

The Alexandra Suite is perfect for larger weddings and is our only suite suitable for external catering.

The room seats up to 400-450 guests, depending on the lay out. Speak to our Wedding coordinators today to find out more.

The adjoining Auden Way and Alexandra Foyer make an ideal private reception area for drinks when your guests arrive or following the ceremony.

We can offer you hire of our Alexandra suite which is the largest here at the hotel and hire of this would be £5,500 on Sundays only.

This is the only room that we can accommodate self-catering in due to kitchen locations.

The room can be open to accommodation 400 -450 or it also splits into two sections. You could have the ceremony in one section and the wedding meal in the other side if you wish. We would be delighted to talk through your options.
