

JURYS INN ENVIRONMENTAL POLICY

At Jurys Inn, Belfast, a strict environmental policy is in place, in which we are committed to sound environmental practices in all areas of the business.

We recycle newspapers, office paper, cardboard, glass, batteries, fluorescent and long life bulbs and have a target to divert 80% of our landfill waste to recycling over the coming 12 months.

We use only the most environmentally acceptable cleaning products.

We are actively pursuing the reduction of water usage in our bedrooms, washrooms and kitchen areas.

We encourage participation and train employee's sustainable business practices and assist customers to use products and services in an environmentally sensitive way.

We are working with suppliers who have good environmental policies to reduce packaging waste and improve the environmental impact of all products purchased.

We are also very proud to be working with local charities and helping with local community projects to encourage environmental awareness in the area
