

## Responsible Visitor Charter

Dear Guest,

We would like to encourage all our guests to join us and be responsible visitors, who help to protect the environment. Listed below are some suggestions in which we encourage you to participate:

- **Conserve Energy** - reduce energy by switching off lights and close windows if the air conditioning is on. Also switching off your TV and not leaving it on stand-by saves energy.
- **Reduce, Reuse, Recycle** - leave your newspapers, bottles and cans beside the bin, ready for recycling.
- **Be Water Wise** - do not leave taps running unnecessarily and only fill the kettle with the amount of water required, as this will save water.
- **Towel Policy** - Towels are replaced when requested by leaving on the floor or in the bathtub. If you do not request your towels to be replaced, please leave them hanging on the rail.
- **Give the car a rest** - plan your journey in advance and take public transport where possible to reduce vehicle emissions.
- **Respect Nature** - when you are enjoying the local sights please remember to bag your rubbish and use the bins provided in the area.

If you feel there is anything else we could be doing to reduce our environmental impact please contact us at [jurysinncroydon@jurysinns.com](mailto:jurysinncroydon@jurysinns.com)

**We wish you a most enjoyable stay at Jurys Inn Croydon  
and please help us to protect the environment.**
