

JURYS INN

GREEN POLICY

At Jurys Inn Galway we have a strict environmental policy in place as part of the hotels contribution to protecting the environment. We are committed to sound environmental practices in all areas of the business.

We separate and recycle newspapers, office papers, cardboard, glass, batteries, printer cartridges and long life light bulbs.

We ensure that taps are not left running unnecessarily in all areas.

We raise awareness amongst the employees by Supporting Energy Awareness Now (SEAN) through training and regular meetings, and display material.

We have joined the Green Tourism Business Scheme as an indicator of our sustainable practises.

How you can help us

- Switch off your lights when they are not in use
- Be water wise – ensure taps are turned off
- Adopt our towel policy–please see further information in our bathrooms.
 - Leave papers and bottles on the tables so we can recycle these
 - Ensure the television is turned off when not in use

If you have any suggestions to how we can work towards a better environment then please leave your comments with a member of the reception team, or alternatively please email jurysinngalway@jurysinns.com

Kindest Regards

Cathy Walsh

General Manager
