

Green Policy

Jurys Inn Watford recognises that it has a responsibility to the environment beyond legal and regulatory requirements. Hence, we are committed to reducing the impact of our activities on both the global and local environment whilst continually improving our environmental performance as an integral part of our business strategy and operating methods.

Some of our Environmentally sound practices are listed, but not limited to, below:

- All our lighting in the hotel is low energy ; some of the ones in the public areas are operated on sensor
- Public transport, walking and cycling information is available to both guests and staff and it is something that we actively encourage to help reduce our carbon footprint
- Our procedures minimise energy use and waste across all departments including recycling and reusing of office paper
- Energy awareness information is available in all guest bedrooms and to our Dedicated Meeting's clients
- Our Green message is actively promoted to guests and staff alike
- Actively promote recycling both internally and amongst its customers and suppliers
- Implementing a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance
- Meet or exceed all the environmental legislation that relates to the Company
- Monitoring energy consumption for improved environmental performance
- We only use licensed and appropriate organisations to dispose of waste
- The energy consumption and efficiency of new products are taken into account when purchasing
