

GREEN VISITOR CHARTER

Be a responsible visitor, suggestions of things you can do to help save the planet.

- **Conserve Energy – Reduce energy by switching off lights and closing windows if the heating is on.**
- **Give the Car a Rest – Leave the car behind, the green pack gives information on walking, cycling and public transport in the area.**
- **Reduce, Reuse, Recycle – Try to recycle any waste you have. If you leave your recyclables outside of the bin we will recycle for you.**
- **Be Water Wise – Please use water wisely. Turn off the tap when brushing your teeth and please only leave the towels you wish to be cleaned in the bath.**
- **Support Green Tourism Business – There are hundreds of businesses trying to reduce their environmental impacts through the green tourism business scheme. See www.green-business.co.uk for more information.**
