

## Responsible Visitor Charter

Dear Guest,

We would like to encourage all our guests to join us and be responsible visitors, who help to protect the environment. Listed below are some suggestions that we encourage you to participate

- Travel using Public Transport – Plan your journey in advance and take public transport where possible to reduce vehicle emissions. Full details of transport links can be found on our website or at reception in the hotel.
- Conserve Energy – reduce energy by switching off any appliances that are not in use. This would include switching off unnecessary lights in your bedroom as well as turning the TV off rather than leaving on stand by and by switching off the air conditioning while the bedroom windows are opened.
- Be water wise – do not leave taps running and only fill the kettle with the amount of water required.
- Reduce, Reuse, Recycle – leave your newspapers, bottles and cans beside the bin ready for recycling
- Towel Policy – towels are replaced when required by leaving on the floor or bathtub. If you do not require towels to be replaced, please leave them hanging on the rail.
- Respect Nature – when you are enjoying the local sights please remember to bag your rubbish and where possible recycle.

If you feel there is anything further we can be doing to reduce our environmental impact please contact us at [jurysinnbrighton@jurysinns.com](mailto:jurysinnbrighton@jurysinns.com)

We wish you a most enjoyable stay at Jurys Inn Brighton. Please help us to protect the environment.
