

Customer Charter

“Jurys Inn Watford’s environmental policy focuses on every possible means to reduce our carbon footprint whilst sustaining a reliable, efficient and professional business model”

Our Commitment

- We utilise water conservation measures such as tap flow restrictors and water shut off valves
- We operate a strict recycling policy in every area of the building
- Our procedures minimise energy use and waste across all departments
- All lighting in the hotel is low energy with presence detection
- The vast bulk of our marketing is paperless
- Where possible we promote the use of fair trade and eco friendly products
- Use of hazardous and toxic materials is kept to an absolute minimum
- Energy awareness information is available in all guest bedrooms
- In room energy saver boxes are fitted throughout
- Our message is actively promoted to guests and staff alike
- Walking, cycling & public transport information is available for guests & staff
- Information on environmentally sound activities is provided to guests & staff
