This access statement does not contain personal opinions as to our suitability for those with access needs, but aims to accurately describe the facilities and services that we offer all our guests/visitors

Property

Access Statement for Jurys Inns Leeds

Introduction

We are a Modern city centre hotel and are approximately a 5-10 minute walk into Leeds City centre. We are located a 10 minute walk to Leeds railway station and a 10 minute walk to Leeds Bus Station. With taxis on request we can easily help guests to any part of the city and with our central location to the train and bus stations we offer easy access from across the country. We have 248 rooms over 10 floors. The ground floor has no bedrooms on it but every floor is accessible by lift. On nearly every floor there are partly accessible rooms and fully accessible rooms - suitable for people with all kinds of access needs. We have two fully accessible walk in bathrooms located on the first floor.

We look forward to welcoming you. If you have any queries or require any assistance please phone 0113 283 8800 or email jurysinnleeds@jurysinns.com
Pre-Arrival

- The nearest railway station is Leeds City Centre Station and is located approx. a 10 minute walk away, access is possible by wheel chair through all entrances
- We use a local taxi firm who have an accessible taxi service available - they advise that these are pre-booked in advance as they cannot guarantee they will be available to collect in bad weather conditions. Streamline 0113 244 3322
- Most bus routes operated with double decker buses with wheelchair access. There are a few older single deck buses still in service without a ramp or a designated wheelchair space, but they are low floor. A few services are not yet wheel chair accessible, so its advised to call customer services on 0113 381 5000 to see which journeys will have a wheelchair accessible bus that day.

Car Parking and Arrival

- We do not have any onsite parking facilities however Brewery Wharf car park is directly opposite our hotel, across the road from the main entrance. It has 250 spaces and there is an attendant 24hrs a day, 7 days a week. There entire car park is on ground level but is quite uneven underfoot.
• The surface from the car park to the hotel is even tarmac and paving slaps.
• The car park is well lit and en route to the hotel there is street lighting.
• There are drop off bays opposite the front door, and a dropped kerb nearby.
• When entering the building there are automatic doors - these are never locked as we have a 24 hour manned reception. There are steps to the main entrance and a ramp adjoining.
• Upon arrival we can give directions to the car park or we have signage within the door entrance with helpful directions.
• If a guest is not able to take their own luggage to the bedroom - we will take it for them.
• The opening width of our automatic doors is 71”

Main Entrance / Reception / Welcome Area

• The reception is located immediately inside the front doors on the ground floor with no steps.
• There is a lift available to all floors from the reception. The ground floor is level throughout and access is available to all floors by lift. The only area accessible only by steps is our raised area adjoining the bar.
• Pushchairs and wheelchairs can manoeuvre easily around reception, the lobby and bar area.
• There are chairs and sofas available in reception.
• The flooring in the lobby and ground floor is marble, in the bar and restaurant is carpet and a small slate section.
• All areas in reception and the lobby are well lit with LED spotlights in the ceilings and we also have floor lamps in reception.
• Staff can check in at the main reception desk but we could offer a check in in another area if requested. There is a lower desk available for people in wheelchairs at the main reception.
• We frequently accommodate show rounds of the property - we advise to pre-book with our Sales Manager.
Bedrooms

- We have 0 ground floor bedrooms, but every floor is accessible by lift.
- On nearly every floor there are both fully accessible and partly accessible bedrooms. All the beds are lower, bedside units and coffee stations and there are lower rails in the wardrobes.
- Bedroom doors are marked with the door number on the front - these are not raised in Braille format.
- All furniture in the bedrooms can be moved around at the guests request and can also be removed.
- The beds in our accessible rooms are doubles.
- The space next to the bed for wheelchair users to transfer onto the bed is 2100mm
- The height of the beds to the top of the mattress is 600mm
- The bedroom is lit with LED wall lights and 2 spotlights above the bed.
- Additional lighting can be requested but is not guaranteed.
• The walls and doors are of a cream colour and the carpets are maroon. There are carpets in the bedroom throughout.
• All Duvets are feather, Non allergenic bedding can be requested but it is not guaranteed.
• Selections of our accessible bedrooms have large button telephones. The phones have a flashing light indicator enabling the call to be seen and heard. They are also HAC (Hearing Aid Compatible)
• Instructions on how to activate subtitles on the TV can be obtained from reception.
Bathrooms, Shower-rooms and Toilets (Ensuite or Shared)

- A fully accessible room has no bath in the bathroom but there is a wet room shower, with a seat attached to the wall.
- All partly accessible bathrooms are equipped with grab rails in the bathrooms and there is flat access from the bedrooms to the en-suites.
- The clear door opening width of the bathroom door is 800mm.
- In fully accessible bathrooms the shower is separate in the partly accessible bathrooms the shower is above the bath.
- The height of the wash basin 700mm and there is clear space under the sink.
- Support/grab rails are located next to the toilets.
- The taps throughout are lever and turn style.
• The shower dials are on a turn mechanism only in the partly accessible rooms.
• The bathrooms are well lit with wall lights and florescent tubes over the mirrors which are fully encased.
• The towels are white.
• There are red emergency pull cords located in the bathrooms with re-set boxes for these located inside the bedroom doors and next to the bed.
• Our taps in our accessible bathrooms have been embossed with hot and cold tactile markers.
Public Areas - Halls, Stairs, Landings, Corridors

- The corridors are well lit with wall lights and spotlights in the ceiling; the corridor width is 1.5m wide.
- The flooring on all corridors is carpeted.
- We have three lifts from reception to all floors (the lift buttons are equipped with braille and they all have mirrors).
- The refuge areas are located on each corridor stairway with a refuge call point at each one.
Our lobby/lounge area is located immediately inside the front door with level entry. These are accessed through the main doors which have a clear opening width of 1.9m.
These areas are level throughout with access space between furniture, with a combination of high and low tables, couches and bucket chairs.

These areas are all well-lit with ceiling lights, wall lights and we also have mood lighting.

The flooring is a mixture of marble and carpet.

There are no TV's in the lobby/lounge area - we have 3 TV's in our bar.

Food and drink can be consumed in these areas if requested.

The nearest WC's and accessible WC are located on the same level just past the bar on the left hand side.

Restaurant/Dining Room, Bar & Bar area

The bar and restaurant are located on the ground floor and are level throughout. There are a few steps in the bar to a raised area however these do not prevent gaining access.

The clear width to each area is 2m for the bar and 1.2m for the restaurant.

There is space for wheelchairs and push chairs and furniture can be moved if necessary.

The lights in the bar and restaurant are dimmed in the evenings but remain on during the day.

We try to accommodate any dietary requests and ask that we are informed in advance.

We provide room service in our standard offering.

Both bar and restaurant food will be bought to you when ready, breakfast is a self-service buffet. Assistance is available if necessary.

Staff can read out the menu if required.

All of our crockery is white, cutlery silver and the tables do not have cloths on them.

The nearest WC and accessible WC is on the same level just next to the bar.
Public Toilets

- The public/accessible WC's are located on the ground floor just next to the Bar. The accessible WC is a unisex toilet and it is not locked.
- There are no ramps or steps to gain access to the toilets.
- Both external and internal access doors are 800mm.
• The height of the WC from floor to seat is 470mm.
• There is a grab rail (when facing the WC) to the right of the toilet.
• If guests need assistance, there is a red emergency pull cord in the toilet which is linked to our reception desk.
• Our taps in our accessible public toilets are marked with tactile mark to distinguish hot and cold.
We have 3 meeting rooms in total. All on the 1st Floor. They are all accessible by lift.
• The clear door opening width to the meeting rooms is 800mm.
• There is level access throughout. The 1st floor is suitable for a wheelchair or a pushchair with accessible toilets (take the second right when you come out of the lift).
• All areas are well lit with spotlights and wall lights.
• Furniture can be moved in the suites and also the lobby areas upon request.
• The floor surfaces are all carpeted
• The contact for conference/meeting hire is 0113 283 8800 and follow the prompt instructions given or ask for a transfer from reception when put through.

Additional Information

As health, comfort and safety are of the utmost importance to us, our hotel staff have received disability awareness training. Please do contact our Front Office Manager if there is something that needs our attention. We will endeavour to ensure that your individual needs are met wherever reasonably possible.

Advice about evacuation should you need assistance (in the unlikely event of an emergency) should be discussed directly with the hotel.

Personal Emergency Evacuation Plan (PEEP)
We understand that many people will be able to leave the building unaided; however, some may require assistance. Therefore, we would like to offer you the opportunity to have a Personal Emergency Evacuation Plan (PEEP) to ensure that you can leave the building safely in the event of an emergency. The plan will explain what options you wish to take in the event of a fire evacuation. The plan will also state who is designated to assist you in our evacuation should you require this.

- We welcome assistance dogs and would provide a water bowl.
- LED lighting is used throughout the entire building.
- The signage used in the hotel is of a medium font on a grey/silver background - pictograms are used for toilet facilities.
- The local hospital is Leeds General Infirmary, located on Great George Street, Leeds LS1 3EX.
- There is free WiFi throughout the hotel.
- All of our staff receives regular training that includes disability awareness training.

Each floor contains a refuge point in case of an emergency evacuation. If you have specific access requirements with regards to evacuating during an emergency evacuation please make this known to reception. Should the fire alarm sound during your stay you will need to evacuate the building by using the nearest emergency exit stairwell nearest to your bedroom. The meeting point is outside Oracle which is across the green by the hotel.
