## Crystal Clear COMCIT™ Facials\*

COMCIT treats ageing, dehydrated skin with results that are simply staggering and provides an instant, perfect dewy glow for that special occasion, wedding or red carpet event.

COMCIT is an effective skin rejuvenation and rehydration treatment, tailored to deliver exactly what your skin needs.

As chemical-intensive treatments such as muscle relaxants and fillers increasingly fall out of favour, some clients are now looking towards non-surgical treatments, or so called 'Notox' facials.

Heralding this move away from injections and fillers is Crystal Clear COMCIT™; the new age-defying alternative that is the first of its kind anywhere in the world.

### **Rena Spa Radiance Facial**

Crystal Clear's most intense hydration treatment yet, giving red carpet ready results.

The radiance facial delivers freezing cold oxygen throughout the epidermis to nourish and invigorate skin cells, while the COMCIT roller allows hyaluronic acid to reach deeper dermal layers via micro-channels; plumping and re-balancing the skin from the inside out.

The result is brighter, fresher, hydrated skin that glows with a youthful radiance.

### **Rena Spa Frozen Facial**

The most effective and advanced skin rejuvenation treatment yet, tackling lines, wrinkles and pigmentation. Enjoy a full cleanse and gentle exfoliation, followed by the ground-breaking COMCIT treatment, using cryo oxygen and micro rollers to infuse the skin with a potent Infusion, tailored to tackle your skins concerns and stimulate collagen production. Then lie back while your therapists applies a Crystal Clear face mask to suit your skin type, giving you an extra hit of hydration, firming and lifting.

### **Rena Spa Deluxe Face Polish**

Crystal Clear microdermabrasion is a gentle skin resurfacing facial which helps with a variety of imperfections such as open pores, blackheads, pigmentation. Blemishes, acne scars, stretch marks and many more. Helps to increase new collagen and elastin fibres resulting in a firmer and more toned texture.

### **Rena Spa Pure Glow Facial**

Perfect rejuvenation facial for aging skin. As we age oxygen levels in the skin decrease resulting in a loss of elasticity and the formation of lines and wrinkles. Replenishes lost oxygen by plumping out lines and wrinkles. Results are immediate so perfect for a party or a special occasion. Also treats acne or any impurities as it has amazing anti-bacterial properties. This is the perfect all round facial.
